I Championships

These are the regulations for the North European Historic Regularity Rally Championship.

Short: NEZ Historic Regularity Rally Championship.

There are two Championships, one for drivers and one for navigators:

NEZ HRRC Driver

NEZ HRRC Navigator

The regulations are managed and updated by the NEZ Historic Regularity Rally Working Group.

The working group follows FIA:s regulations for Regularity Rallies.

II Participants

The Championship is open for all with a valid competition license from member ASN's inside FIA North European Zone.

The crew members don't need to come from the same country. Drivers and navigators compete in separate Championships. Both driver and navigator must represent a country within NEZ. All drivers and navigators competing in the NEZ class will score points in the Championship.

In the events there can be beside NEZ Historic class another class for Modern cars. Modern Class does not count to the Championship.
